Contents

Each Spray Mop kit comes with the following contents:

- Spray Mop
- Stone, Tile & Laminate Cleaner Cartridge (0,85 litre)
- Microfiber Cleaning Pad

Additional Cleaning pads can be obtained for the Bona Spray Mop. Bona Dusting pads for the removal of dust are also available.

The spray mop cartridge may be refilled with Bona Stone, Tile & Laminate Cleaner; supplied as a 2.5 & 4 Lt bottle. Additional Stone, Tile & Laminate Cleaner cartridges are also available.

Preparation

Clean the floor using a dry cleaning method. Suitable methods include the Bona Spray mop system with the Bona dusting pad, soft broom or vacuum with a soft brush attachment. Regular removal of surface dirt and sand will prevent the surface from being scratched.

Directions for use

Insert the Stone, Tile & Laminate Cleaner cartridge into the Spray Mop. Press it firmly into its socket. Attach the cleaning pad on the mop head. Mist the cleaner onto the floor and wipe clean. Take care not to be too generous and ensure that all sprayed Cleaner is wiped from the floor.

Excessive quantities of Cleaner may lead to cleaning product residues remaining on the floor after it has been cleaned resulting in a hazy discolouration being evident. If this happens simply clean the floor using water and gently rub the surface. This will redissolve any cleaner deposits and leave the surface looking as normal.

On stubborn spots, rubber heel marks or sticky spills etc. spray Cleaner directly onto the spot and let it work a few minutes before scrubbing and wiping off. Soiled cleaning pads should be washed at 60° C without fabric conditioner.
